20.7	Approval regarding release of payment to vendor M/s. ANICOM	M/S. ANICOM, Ranchi has provided printing machine (Make-HP, Model: MFP M72630DN Laser Jet Multifunction Machine) through GEM portal on march-2023 (Invoice No.-GEM-28314513; Dt: 03-03-2023) amounting Rs. 1,25,685.00 (Rs. One lac Twenty Five Thousand Six Hundred Eighty Five Only). Due to delay in installation of machine from the vendor side, the bill is pending. Now, the machine has been successfully installed and working satisfactorily. Therefore the matter is being placed before the EC for approval to release payment. (Annexure 7)	Approved										
20.8	Approval Regarding transfer of surplus JUT fund from Current Account to interest bearing Flexi-fund Account.	At Present, JUT is maintaining a Current Account (A/C-PUNB0184220) with the Punjab National Bank branch located in the campus of the university. All the internal receipts of Examination fees, Affiliation fees from different education Institutions etc. are deposited in this account. The fund deposited in current account does not carry any interest. Moreover, the value of fund deposited in current account is being eroded continuously to the extent of inflation prevailing in the economy. Therefore, Rs. 17 Crore has already been fixed deposited in the month of February, 2023. It is further to mention that currently Rs.12.5 Crore (Approx.) is available in JUT Internal Fund. So, it would be a wise decision to leave some reasonable amount in the current account for meeting out day-to-day expenses and transfer the rest surplus fund to Auto-Swap/flexi fund, which will bear an interest at the prevailing rate. At the same time, the balance kept under Auto-Swap/flexi fund may also be utilized in times of need. This move will not only compensate the value erosion on account of inflation but will also go a long way in achieving the goal of a self-financed university by augmenting its resources in the form of accrual of interest from surplus fund, as contemplated in sec. 26(1) of JUT ACT 2011. This proposal is being placed before EC for its kind approval.	Approved. However, it was also suggested to take opinion of investment experts from nationalized bank.										
20.9	Approval regarding payment of M/s. Arck Line Enterprises against procurement of domestic/house hold items.	The matter was placed under the agenda no 15.34 of 15th Executive Council. In the light of decision taken under the said agenda, the matter was placed before purchase & sales committee for post facto approval. In the meeting of the purchase & sales committee held on 18.11.2022, the committee recommended to form a committee to verify the items supplied. The committee notified vide letter no JUT-494/202/1832, dated 30.11.2022, and submitted its report on 04.02.2023 to the university with its finding. Against the bills put up for claim of Rs. 6,07,396/- (Six Lac Seven Thousand Three Hundred Ninety Six Only) the committee found goods worth of Rs. 4,99,612/-	It was decided to place the matter in next Executive Council

20.10	Approval for Registering the Technology Business Incubator at the JUT as not-for-profit "Section 8" company	The Technology Business Incubator has been established by the JUT with an aim to contribute to the startup ecosystem of the state. This incubator has been operational since September 2022 and presently has the facility of housing 15 startups, the initial support to this incubator has been rendered by CCL, Ranchi through its CSR fund. However, the incubator is still running more as a university project rather than a separate legal entity. It is proposed that necessary permissions may please be granted to register the Technology Business Incubator as a separate legal entity. The TBI should be registered as a separate legal entity as this is a prerequisite to get funds from major funding agencies like, the National Science & Technology Entrepreneurship Development Board (NSTEDB), DST, GoI; Atal Incubation Centre under the Atal Innovation Mission (AIM) of NITI Aayog, GoI; Ministry of Micro, Small & Medium Enterprises (MSME), GoI; the CSR (Corporate Social Responsibility) funds of the corporates, and other funds available from other Government entities, gets severely restricted. Based on this, it is desirable to register the TBI at the JUT as a separate not-for-profit legal entity. University business incubators can generally be registered as a not-for-profit entity under any of the three alternate legal entities mentioned below: • Section 8 Company under The Companies Act, 2013 • Society under Society Registration Act, 1860 • Public Charitable Trust However, registering it as a Section 8 Company under the Companies Registration Act 2013 is preferable as: • The Section 8 Company has much more public transparency than the Society or Trust form hence is more trusted, in general, to receive grants. The Section 8 company is required to adhere to the regulations under the Companies Act, 2013 and hence needs to submit statutory and other filings to the Ministry of Corporate Affairs (MCA) and other statutory authorities making it more accountable. Hence, the matter is placed before the executive council to grant the approval for payment. (Annexure 9)	Approved
20.11	Approval for enhancement of rent of University auditorium.	In the light of decision taken under 19th Executive Council agenda no 19.4 a letter has been sent to S.D.O, Sadar for fixation of the Auditorium rent vide letter no JUT-682/2021/1044 dated 31.05.2023, but there is no reply given by the Sadar Office. It is pertinent to mention that the University Auditorium rent charge was fixed Rs. 25,000/- per day vide notification no JUT-655/2021/1528 dated 02.12.2021. The University has decided to enhance the Auditorium rent charge to Rs. 50,000/- (Fifty Thousand only) per day with effect from 01.01.2023 vide letter no JUT-682/2021/217 date 04.02.2023.
